# INDEX FOR VOLUME IV.

## Authors

Page

Dutcher, C. E. ... 1
Briggs, W. W. ... 131
Eastwood, J. S. ... 115
Hanscom, W. W. ... 61
Layman, W. A. ... 21
Locke, Fred M. ... 57
Low, Geo. P. ... 9-26
Quinn, Ed. A. ... 124
Replogle, Mark A. ... 49-70
Rix, Edward A. ... 54 70
Sears, Henry D. ... 117
Sessions, H. N. ... 101
Shock, T. A. W. ... 114
Sprout, Sidney ... 47
Van Norden, Dr. C. ... 113

## Editorial

A Favor Solicited ... 56
A Matter of Equity ... 120
An Important Announcement ... 98
A Novel Endorsement ... 50
California Leads the World ... 74
Consulting Electrical Engineers ... 12
Engineering Difficulties in China ... 51
High Potential Switchboards ... 13
Interior Conduit Methods ... 31
Luck in Daily Life ... 74
Testing High Potential Insulators ... 75
That Pludgeonless Bogy ... 99
The Barrier to High Voltages ... 30
The Berliner Consolation ... 51
The Electric Transmission Association ... 120
The Journal Bestows a Medal ... 98
The Use and Abuse of Transformers ... 75
Trusts Declared Illegal ... 30
"Where Are We At?" ... 99

## Educationial

Healds' Business College Graduates ... 105
The Smith-Manifold Calculator, by Geo. P. Low ... 9-26
Van Der Naillen Graduates ... 83

## Electro-Economics

The Accuracy of Thompson Recording Wattmeters, by H. N. Sessions ... 101
*The Use and Abuse of Transformers ... 79, 103, 125

## Fraternal

The A. I. E. E. General Meeting ... 72
The Pacific Coast Electric Transmission Association ... 101
Pacific Coast Gas Association ... 102

## Gas

Page

Characteristics of Acetylene ... 97

## Historical

A Lesson in Dynamo Designing ... 73

## Hydraulics

*Some Big Pelton Wheels ... 119
The Government of Water Power by Mark A. Replogle 49-70
Water Power Under High Heads ... 70
*Water Wheel Regulation ... 109

## Illumination

An Electrical Rival of the Arc Light ... 78
Municipal Ownership in Santa Clara, by Ed. A. Quinn ... 124

## Industrial

A Baby Arc Lamp ... 107
*A Circuit Breaker for Smaller Currents ... 34
A Dividend and A Big Contract ... 84
An Electric Trick Free ... 104
An Evidence of Prosperity ... 84
*A Water Motor Fan ... 59
*Electric Power Distribution ... 106
*Free to Steam Users and Engineers ... 105
Growing and Prospering ... 106
*High Potential Insulators ... 58
New Brooks-Follis Agencies ... 35
The Good Times are Here ... 60
*The Walker Alternator ... 58

## Literature

A systematic Treatment of Electrical Measurements, by Herschel C. Parker Ph. D. ... 53
New Catechism of Electricity, by N. Hawkins ... 33
Roentgen Rays and Penomena of the Anode and Cathode by E. P. Thompson ... 15
The Mechanical Arts Simplified, by D. B. Dixon ... 76
The Theory of Electricity and Magnetism, by H. E. Webster ... 77

## Mining

*Are Mineral Lodes of Electrical Formation? By Sidney Sprout ... 47
*Electric Hoists in Mining ... 27

## Miscellany

Electricity in A Modern Newspaper Office ... 132
Energy Direct from Heat ... 78
*High Potential Testing Transformers ... 124
Machinery in Tall Buildings ... 69
*Self Starting Single Phase A. C. Motors ... 131
Some Secrets of Success ... 122

## Obituary

Page

Livermore, Chas. E. ..... 29
Lufkin, Harvey Lamb. ..... 17
Regan, John R. ..... 83

## Passing Comment

Driving Dynamos by Gas Engines. ..... 121
Finance, Politics and Progress. ..... 11
Liquid Air and Power Transmission. ..... 52
Load Factors and Profits. ..... 121
On the Determination of Meter Rates. ..... 12
Safety in Lighting Mines. ..... 100
Shall Plant Costs Conform to Fuel Costs. ..... 52
The Longest Distance Electric Transmission. ..... 76
The World's Greatest Electric Plant. ..... 100
To Appease the Devil. ..... 76

## Personal

Addison, Dr. Thos. ..... 16
Chesney, C. C. ..... 48
Cram, F. J. ..... 105
De Lew, M. A. ..... 105
*Eastwood, John S. ..... 16
Godfrey, Jas. W. ..... 16
Gribble, Edgar C. ..... 83
Halliday, J. M. ..... 105
Harrison, W. Steuart. ..... 48
Hathorne, E. J. ..... 105
Kebby, H. N. ..... 105
Knowles, C. S. ..... 83
Lee, F. V. T. ..... 48
Martin, Jno. ..... 83
McGilligray, Jno. E. ..... 105
McKilligan, Jno. B. ..... 83
Newberry, Fred. T. ..... 27
Owens, Prof. R. V. ..... 83

Page

Pardee, E. T. ..... 83
Perrine, Dr. F. A. C. ..... 48
Poole, C. O. ..... 83
Rix, E. A. ..... 83
Sprout, Sidney. ..... 105
Thatcher, J.H. ..... 105
Van Emon, B. C. ..... 105

## Pneumatics

Compressed Air for Mining Purposes by E. A. Rix. ..... 54-65
Liquid Air in Power Transmission. ..... 52
Compressed Air in Shop Practices. ..... 33

## Steam

Central Condensers. ..... 48
*The Pacific Power Plant. ..... 37

## Transmission

Cheap Power Offsets Cheap Labor. ..... 77
Insulators for Electric Power Transmission, by Tla. W. Shock. ..... 114
Insulators for Higher Potentials, by Fred. M. Locke. ..... 57
Insulators for use on High Voltage, by Henry D. Sears. 117
*Some Details of the Fresno Plant by C. E. Dutcher. ..... 1
The Bakersfield Transmission. ..... 85
The Construction of Transmission Lines, by J. S. Eastwood. ..... 115
The Line Insulation of 16,000 volts, by Dr. C. Van Norden. ..... 113
*The Riverside Transmission by W. A. Layman. ..... 21
The Transmission Convention at Santa Cruz. ..... 101
The Water Power of the San Joaquin Valley. ..... 77

## Transportation

*The Bryant Street Power House, by W. W. Hanscom. 61
The Power Consumption of Electric Railway Cars. ..... 96
